

## INVEST-HOTEL 2008

### **Bathroom: the place to showcase your hotel**

INVEST-HOTEL 2008 is Poland's largest trade fair showcasing hotel equipment. This year's event, to be held 16-18 October 2008 in Poznań, will be an opportunity for visitors to see the latest trends in bathroom and tourist facility equipment. A hotel bathroom of a high standard is often the criterion for hotel guests to choose their accommodation. This is the reason why hotel owners decide to modernise bathroom facilities so that they fit the décor and style of the entire hotel. This year's edition of INVEST-HOTEL will see the leading producers of bathroom fittings and ceramics showing their latest collections for hotels for the 2009/2010 season. Also on display will be modern bathroom furniture, accessories and original towel designs. INVEST-HOTEL is about presenting the complete range of hotel equipment and services currently available on the market. This is why our exhibition will also include state-of-the-art finishing materials for bathrooms, and heating and ventilation systems. Exhibitors at INVEST-HOTEL are attracted to Poznań because of the event's rank, guaranteed by its professional visitors: hotel owners, designers and other hotel industry professionals.

INVEST-HOTEL is the place to arrange your business meetings, offering superb exhibition space, professional service and an attractive programme of industry events. Do not miss this opportunity and plan your Poznań visit now!
